A screenshot of a Java Swing window titled "Bank". It contains five text input fields labeled "Account No", "PIN", "Name", "Phone No", and "Amount". To the right of the "Account No" field is a blue button labeled "Show". At the bottom of the window are three blue buttons labeled "Update", "Cancel", and "Close".

If We Click Show Button

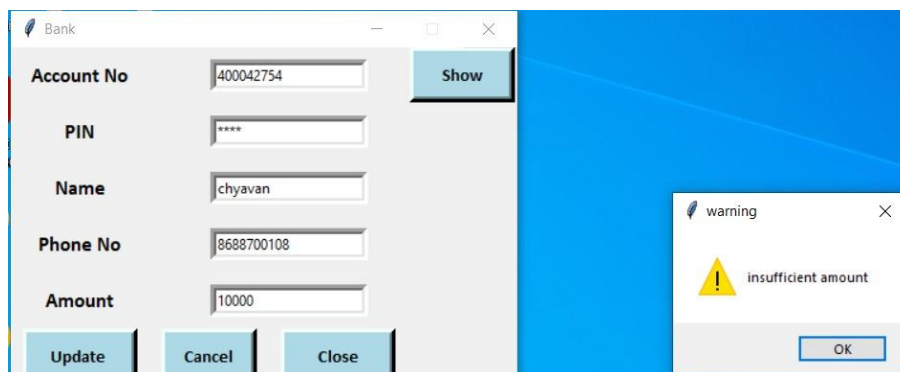

This block contains two screenshots of the "Bank" application window. The top screenshot shows the window with the following data entered: "Account No" is 400042754, "Name" is chyavan, and "Phone No" is 8688700108. The "Show" button is highlighted. A small dialog box titled "guideline" is open in the bottom right corner, displaying an information icon and the text "enter pin and Amount", with an "OK" button. The bottom screenshot shows the same window with the "PIN" field containing four asterisks and the "Amount" field containing 5000.
